## Clean Plates and Food Bars

The Kansas Food Code requires that consumers use a clean plate on each visit to a food bar. The Kansas Department of Agriculture's Division of Food Safety and Lodging has developed a sign for you to post at your food bar to remind your customers of this requirement. It is on the flip-side of this fact sheet. You may use it as is, or you may use it to create a sign of your own.

Required by Kansas Food Code KAR 28-36-103-304.16B

Please use a clean plate  
each time you visit  
the food bar.  
Thank you!

A safe-eating reminder brought to you by the
